In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Make A Platypus Mask With

Platypus Mask Tutorial. The Rydge Platypus Mask is an excellent replacement for the N95 masks when the N95's are not available. It fits snug around the face creating a nice seal, and while it's not NIOSH certified, it has been fit tested for keeping particles out. The Filti fabric used on the inside has been tested at 0.3 microns at 95% ...

All sorts of instructions for DIY virus face masks have come up lately. One of the most humorous ones I saw used a bra to make a mask. Others utilize designs where you can put a tissue between two layers of fabric. But do these DIY masks actually work? Studies show that DIY masks do provide protection, but the protection is minimal.

The platypus is a semi-aquatic mammal (it lives in and out of water) native to Australia, and is a very strange looking creature which seems to be made up of parts of many other animals: a duck's bill, a beaver's tail, an otter's feet - and it lays eggs! Fun fact: the male platypus has a venomous spur on his back foot which causes severe pain to humans, so stay out of his way! Have some fun ...
